

Governor strategic improvement Plan 2016/17

This year we will continue to implement the Strategic Vision Monitoring Tool. Following the Self Evaluation process undertaken in June 2016 our other priorities will be

- . recruit additional governors with appropriate skills.
- . develop skills in constructively challenging and acting as a critical friend
- . develop the policy Review cycle
- . develop communication with parents, carers and other stakeholders
- . develop alliances with other schools
- . ensure pupil views are systematically sought.
- . promote the work life balance and wellbeing of all staff, as well as pupils.
