

PE and Sport Premium

Primary school PE and school sport: new funding 2015/16

Background

1. In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision.
2. Funding will be allocated to all maintained and state-funded schools with primary phase pupils, including: primary, middle, special and non-maintained special schools, academies and pupil referral units from 1 September 2013. A typical infant school will receive about £8,135 annually.
3. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

How will we be spending the PE and Sport funding this year and who will benefit?

The school has completed an audit of PE, school sport and physical activity to inform how we can further improve our provision. Feedback from the audit and from our staff have informed our decision to use the PE funding for the following:

Action	Success Criteria	Evaluation
Provision of spare school PE kits.	All year groups to have spare PE and Games kits for those to use to be retained in school. School to achieve 100% participation. Approximate cost £100	Spare kits provided. 100% participation.
Qualified coach to provide expertise in teaching PE and sport.	Coach to work regularly with all KS1 children. Teachers to work alongside the coach to up skill and focus in on the assessment of the children. Approximate cost £2500 (based on last year's costs).	Our qualified sports coach continues to work with our children and staff in order to extend child and staff knowledge and skills and allow staff to focus on assessment.
Extend resources to promote safety and success.	Purchase of resources to develop outdoor physical development opportunities. Approximate cost £500	Scooters have been bought for our PD area and all other stocks have been replenished.
Qualified coach to provide two extra-curricular clubs.	Coach to provide a lunch-time football club and an after-school multi-skills club to increase activity levels of children.	Activity levels have increased. Both clubs are over-subscribed. Feedback from parents, children and staff is very positive.
Increase inter-schools sports opportunities.	Pay for transportation of children to a variety of sports events and festivals. 100% KS1 participation in inter-school festivals. Approximate cost £700	Children from YR through to Y2 have all attended cluster sports events throughout the year.
Investment in involvement with Chesterfield SSP.	Chesterfield SSP will support the school to provide more opportunities to involve our children in sport and the importance of a healthy lifestyle. See the following for a more detailed	See above. School has also received a PE health check and CPD opportunities.

	breakdown of what this means for our school. Cost £1850	
Training and cover for PE subject leader.	Subject leader to attend PE related courses and supply to be covered from funding. Approximate cost £400.	Subject leader has attended PE subject leader network events and Physical Literacy training. Staff meeting to pass on skills and knowledge.

From the table above, you can see that we are investing some of our funding in affiliating to the Chesterfield School Sport Partnership (CSSP). CSSP is passionate about improving the lives of young people, by providing opportunities through Physical Education and Sport. CSSP will provide a core package to support the school in:

Physical Education

- Continuous professional development signposting and support
- Inclusion training and support
- Curriculum support
- Free Loan equipment
- PE and School Sport Audit

Competition

- Level 1 School Games (intra-school) support
- Access to Level 2 School Games calendar up to **29 events** (inter-school - cluster / district)
- Access to Level 3 School Games events (*qualification only*)
- Membership of the Derbyshire School Sports Association

Leadership & Volunteering

- Mini Leader programme - training / mentoring
- Bronze Young Ambassador programme
- School Sport Organising Crew development

Club & Community Links

- Signposting to local clubs through competition programme
- Sport specific curriculum support

Talent Identification & Development

- Shooting Stars talent programme
- Teacher, Pupil and Parent workshops

Physical Activity

- Midday Supervisor training
- Active lunchtime programme
- Bikeability programme (Y5&6)
- Early Rider Infant cycling programme (KS1)
- Change 4 Life / Physical Activity Hub programme

Other features

- Support for schools to achieve School Games Kitemark for PE and Sport
- Cluster and Individual School development through a PE and School Sport audit

- Sharing of good practice through regular PLT/Headteacher meetings at cluster and SSP level (min 3 per year)
- School Sport Partnership Conference (KS1 & KS2 event)
- Youth Sport Trust Introductory membership
